

We are so excited to have you join us this summer at our Student Leader Conference! We have put this simple tool together to help you approach fundraising in a biblical way, giving practical steps of how to do it well!

In Matthew 6:25-34, Jesus teaches us that we don't have to be anxious about anything because God knows what we need, and is a good father who can provide for us. He encourages us if we seek first the Kingdom of God, then all our needs will be provided for. Then later in Philippians 4:10-17, Paul thanks the church in Philippi for their provision, telling them that the fruit of his ministry increases because of their generous partnership. Between these two simple examples we can see that God provides for His people, and often does that through the Church.

## 4 SIMPLE STEPS TO FUNDRAISING

1. **Pray** - Begin by asking God to provide for your needs; ask Him to give you faith in His ability, and to move the hearts of those you will be talking to toward generosity.
2. **Ask** - Start asking your community of believers to help you get to SLC, where you will be equipped to share your faith with boldness and grow in your leadership. Check out the text & email templates linked below.
3. **Follow Up** - Continue to be in communication with those you are asking; if you have not heard back from them for 1 week, reach out again! If you have questions about this or need help, text our Fundraising Helpline, and someone from our team will get back to you! **(720) 500-7705**
4. **Thank** - make sure that you thank everyone you ask, regardless of how they responded; thank them personally and quickly. After SLC, be sure to share with them what you saw God do during the week!
